

Page ke page  
Multipage  
Bikin 3 page  
Lp = loginpage  
Mp= halaman utama  
Second page = page lainnya

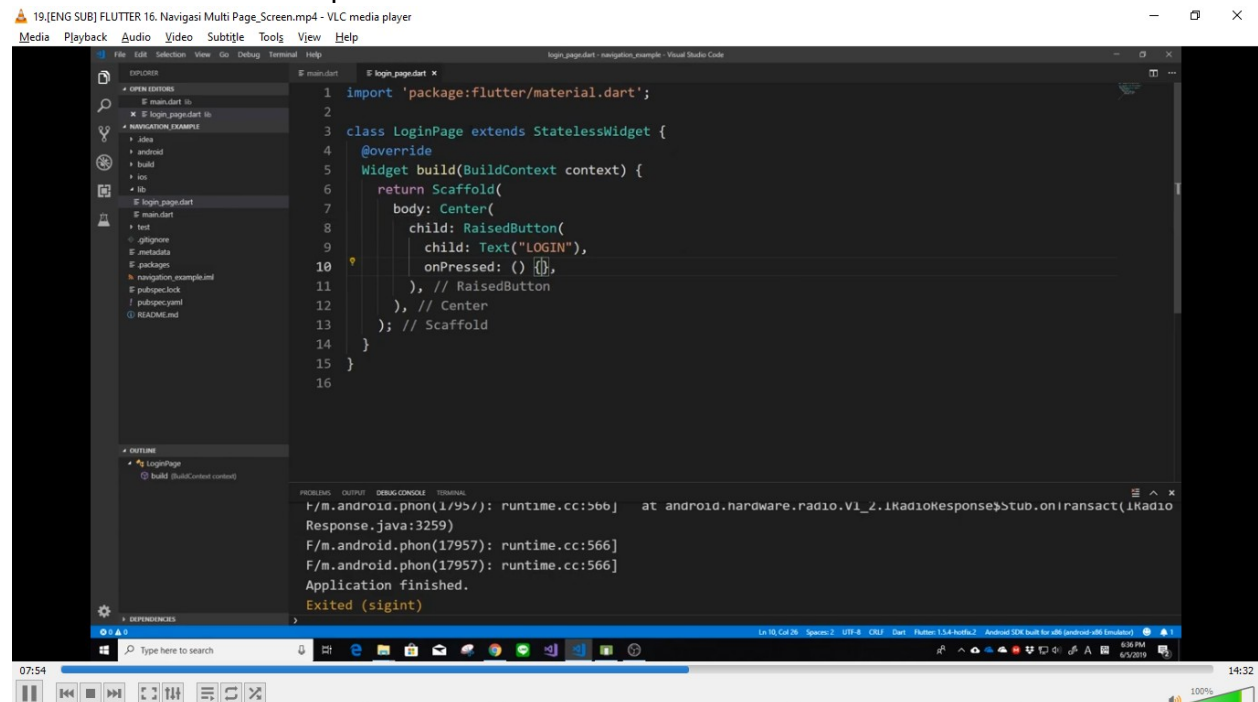

## Konsep nya di flutter

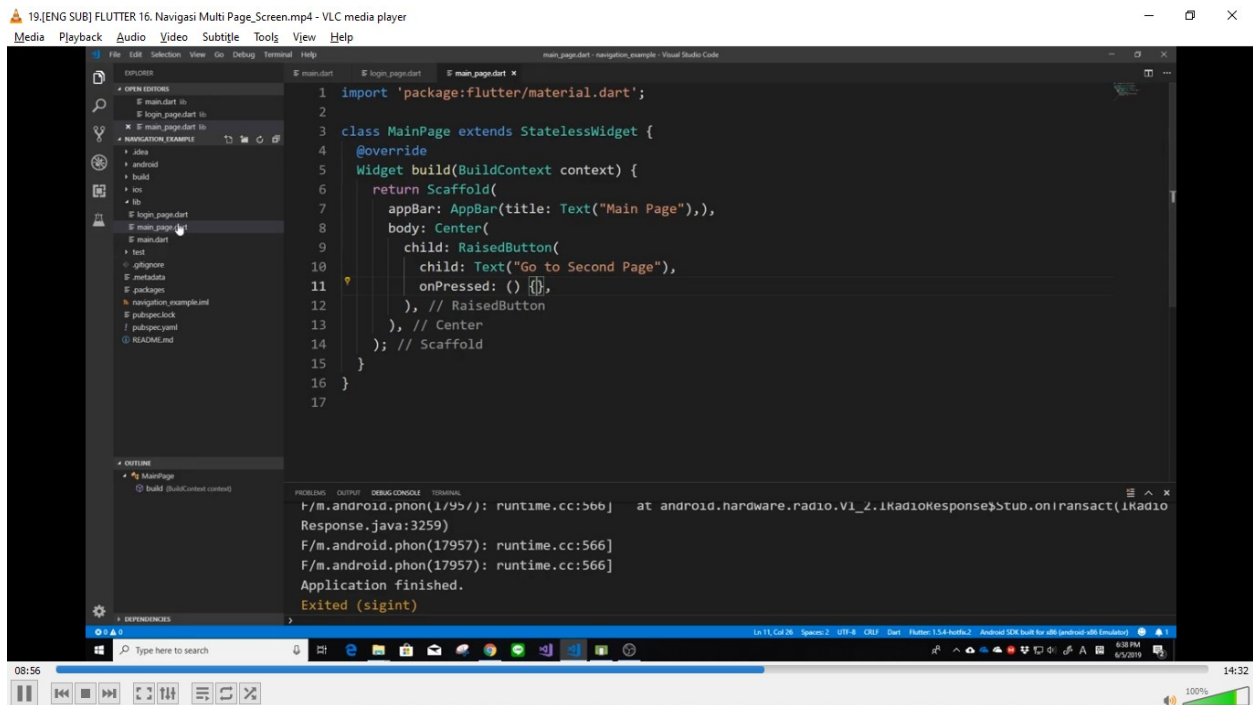

## Buat project Stl

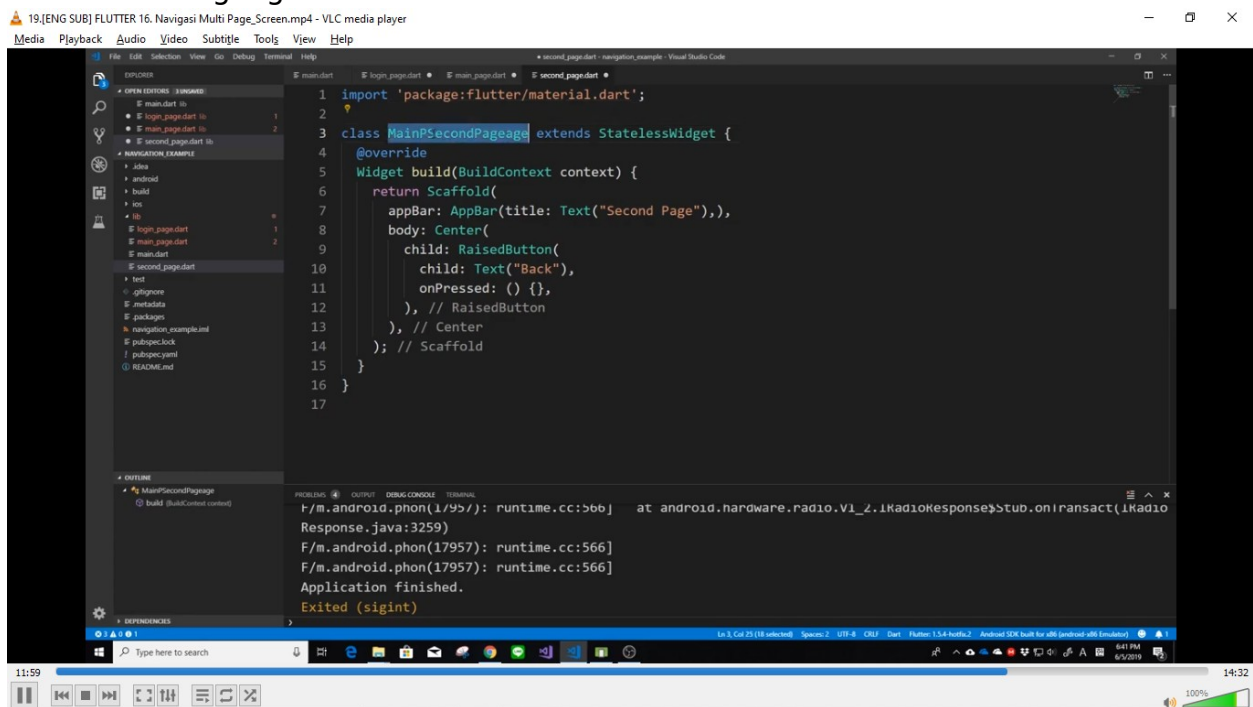

## Buat home secara terpisah

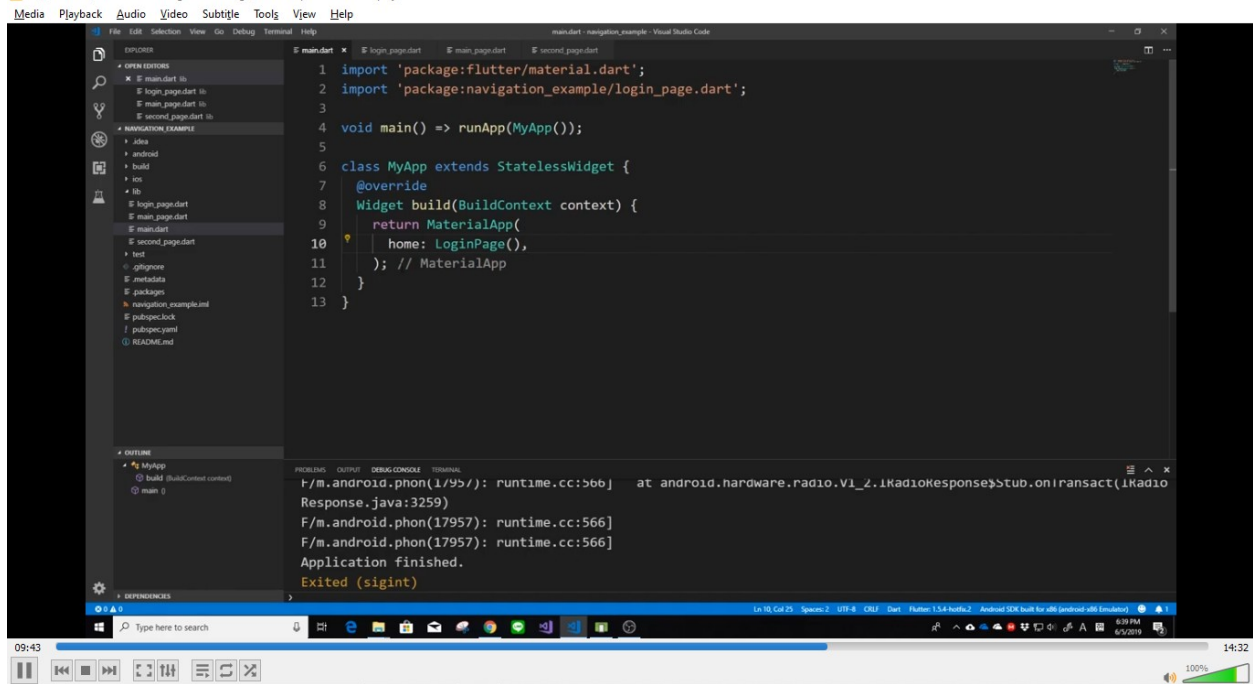

Setiap page buat satu2 file  
Mainpage

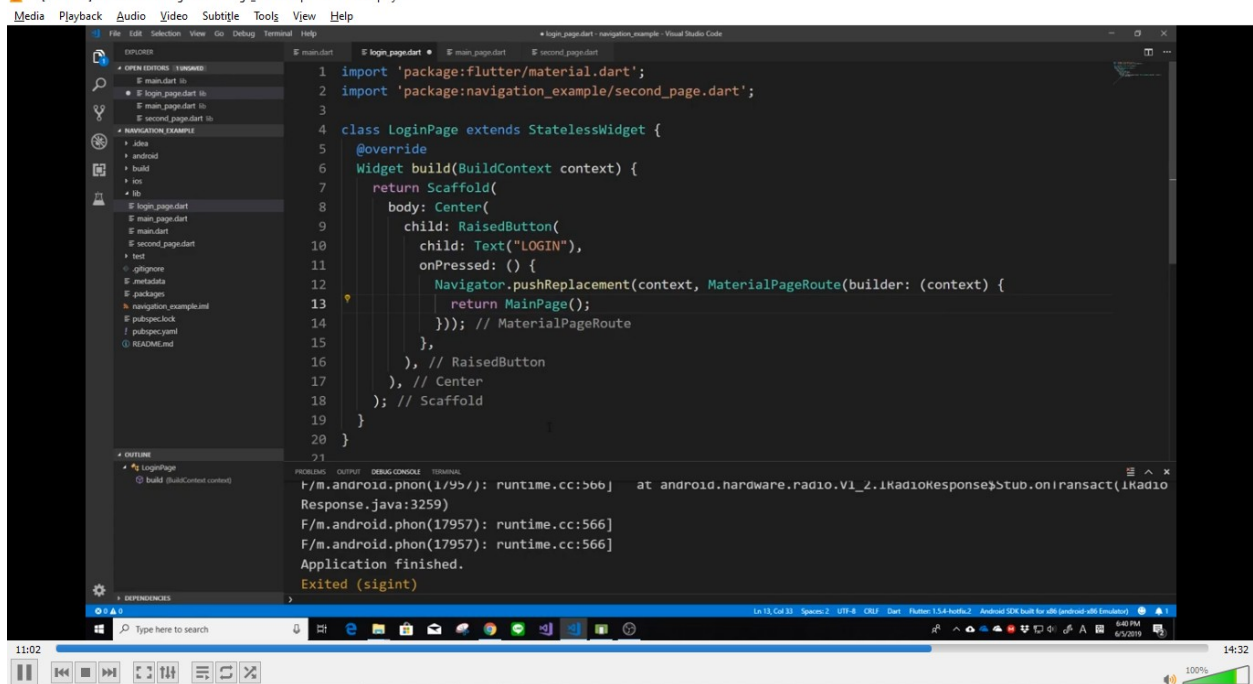

Buat sama tingal ganti kata

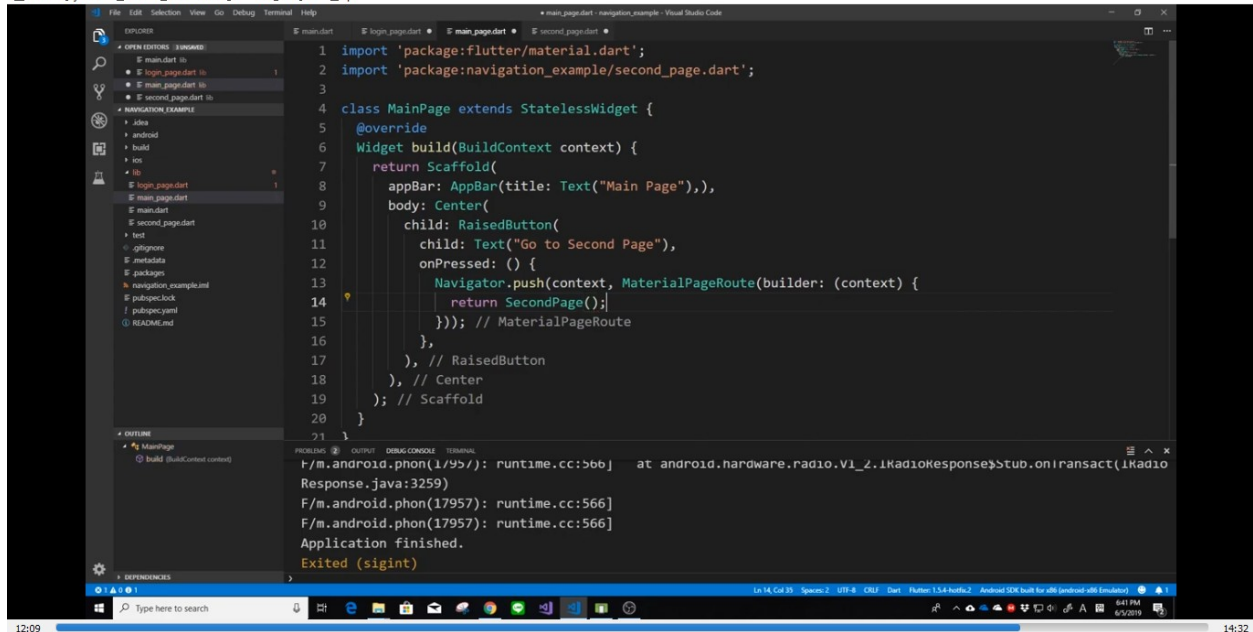

Di maindart home ke loginpage

## Menampilkan login page

home juga sama tapi push

Sekarang scoond klik back maka cabut pakai pop
